Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner informed Applicant's representative that the reply received on 24 July 2007 in response to the notice of non-compliant amendment mailed 06 July 2007 did not correct the issues set forth in that notice. In particular, the amendment still included two different claims numbered as 36, with two different status identifiers. No new time period was given to correct those issues of non-compliance because the shortened statutory period had not yet expired. Applicant's representative indicated that a supplemental reply correcting those issues would be filed..
